

IN-Create

Creating alternative integration paths for third country nationals by cultivating creative expression

DESCRIPTION

The purpose of the project is to address the basic needs and challenges of promoting the successful **integration of TCNs** within the EU and cultivate **creative expression** as means to promote their **social inclusion** and **community cohesion**.

IN-Create is implemented in **6 countries** (Czech Republic, Greece, Spain, Belgium, UK, and Turkey) and it involves at least **60 TCNs** and **60 educators**, professionals and volunteers working with TCN.

The project will focus on **developing** and applying pioneer **methodologies** on various **alternative ways of expression**, such as **Visual Art, literature, theatre, creative writing, film, and photography**.

GOALS & ACTIVITIES

- **EXPLORE** the role of culture and arts in TCNs' integration
- **DESIGN** and implement a capacity building programme for professionals on how to utilise arts as a way of creative expression for TCNs
- **IMPLEMENT** Creativity Labs where trained professionals and educators will apply in practice the capacity building methodology in their work with TCNs
- 5 national Info day events and an international conference in Brussels
